yoga for cystic fibrosis

Sponsorship Guide

Together we make the impossible, possible.

CF Yogi is a virtual yoga studio supporting wellness of body, mind, and spirit in the CF Community. Our online classes are held in a videoconference setting, where the teacher and students can interact in real time without the threats of cross-infection.

Our instructors have firsthand experience living with CF, caring for those who have CF, and recognizing the ways in which a regular yoga practice can enrich our lives.

By sponsoring one of our monthly classes, you are taking part in a positive and vibrant community that values people with Cystic Fibrosis as more than just patients, but as complete human beings.

Our classes are FREE to the CF community, thanks to the generous support of people like you!

Jack (age 6) and sister Abigail (age 5) are two young CF Yogis.
